From the Desk of Managing Director

Dear Shareholders,

I am delighted to share my message through this Annual Report of financial year 2023-24, which was very special due to your company has Successfully completed 1.5 years of listed on NSE Emerge Platform.

We have completed yet another successful year of growth. Being in a manpower centric business, it was key for us to take care of our human resource while fulfilling duties at work & servicing clients. Tough challenges bring the best out of you & your company took the challenge to not only survive in these times but to ensure better services to the customers and thus continue to uplift the brand of being one of the most unique organizations in electronic segment. The year has been tremendous for the company and company came across multiple opportunities in various fronts which will be materialized in near future.

Looking forward we anticipate growth to pick up more in next financial year and we are ensuring that our infrastructure & expansion is in line to benefit from the growth in electronic industry. We are also working to expand our portfolio of production to cover few more avenues and related services which may bring more stability & growth to revenues. We are now planning to ramp up our geographical presence and now we are targeting to establish our sales network beyond Central India, to PAN India presence.

We also plan to launch new products and explore manufacturing of all the products we deal in, and become self-reliant. We have ample opportunity in horizontal expansion in consumer electrical and electronics home appliances, which are being sold in the same channel which we currently sell in. Currently, we were able to take fraction of the market share, a big part is still lying for us and we are 100% sure to take on the significant size of the market share very soon.

Explanatory Statement

(Pursuant to Section 102(1) of the Companies Act, 2013 and Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015)

Item No. 03

Equity based compensation is considered to be an integral part of the employee compensation across sectors which enables alignment of personal goals of the employees with organizational objectives by participating in the ownership of the Company through stock-based compensation scheme. The Company believes in rewarding its employees including Directors of the Company for their continuous hard work, dedication and support, which has led the Company on the growth path. The objective of the Plan is to provide an incentive to attract and retain the key employees by way of rewarding their performance and motivate them to contribute to the overall corporate growth and profitability.

Accordingly, on recommendation of the Nomination and Remuneration Committee (“Committee”), the Board of Directors (“the Board”) of the Company at its meeting held on 03rd September, 2024 approved introduction of the Plan subject to the approval of the Members of the Company and the provisions of the SBEB Regulations, the SEBI (LODR) Regulations and other applicable laws and authorised the Committee constituted by the Board under Section 178 of the Companies Act, 2013 to formulate the detailed terms and conditions of the Plan and to administer and implement the Plan in accordance with the provisions of the SBEB Regulations. All questions of interpretation of the Plan shall be determined by the Committee and such determination shall be final and binding.

The Plan is formulated in accordance with SBEB Regulations. In accordance with the terms of these resolutions and the Plan, the Options would be granted in one or more tranches as may be decided by the Committee, from time to time. The Company seeks the Members’ approval in respect of the Plan and grant of Options to the eligible employees of the Company as decided on this behalf from time to time in due compliance of Regulation 6 of the SBEB Regulations.

The Company proposes to introduce the Plan primarily with a view to: (i) attract, retain and incentivize employees and directors of the Company but excluding an independent director; (ii) motivate such employees and directors for performance, higher productivity and sustained corporate growth; and (iii) assist in aligning such employee's and director's interests with that of the shareholders. The Plan contemplates grant of Options to the eligible Employees as may be determined in due compliance of SBEB Regulations. After vesting, the eligible Employees earn a right (but not obligation) to exercise the vested Options within the predefined exercise period. The Committee shall administer the Plan. All questions of interpretation of the Plan shall be determined by the Committee and such determination shall be final and binding upon all persons having an interest in the Plan. The Company shall issue Equity Shares upon exercise subject to payment of exercise price and satisfaction of consequential tax obligations. The liability of paying taxes if any, in respect of the Options granted pursuant to the Plan and the equity shares issued pursuant to exercise of Options shall be on the Option grantee in accordance with the provisions of Income Tax Act, 1961 read with rules issued thereunder. The Company shall have the right to deduct from the Option grantee's salary or recover any of the Option grantee's tax obligations arising in connection with the transactions in respect of Options or Equity Shares acquired upon the exercise thereof.

b. Total Number of Options to be granted

1,69,200 (One Lakh Sixty Nine Thousand and Two Hundred) Options exercisable into an aggregate of 1,69,200 (One Lakh Sixty Nine Thousand and Two Hundred) of Equity Shares in the Company of face value of Rs. 10/- each fully paid-up, would be available for grant to the eligible employees of the Company under the Plan, in one or more tranches.

Management Discussion and Analysis Report

Industrial Structure and Developments:

Arham Technologies Limited, a National Stock Exchange EMERGE platform Registered Company (formerly known as Arham Technologies Private Limited) is engaged in manufacturing of LED Smart Televisions, with different screen sizes under our brand 'STARSHINE'. We also manufacture Fans, Air Coolers and Mixer Grinders through third party manufacturers under our brand 'STARSHINE'. We have network of dealers and distributors across Chhattisgarh, Madhya Pradesh, Odisha, Vidarbha, Andhra Pradesh and parts of Uttar Pradesh.

We are strategically located in Electronic Manufacturing Cluster, in new Smart City of Raipur, which is one of the very first smart cities of India. Chhattisgarh borders seven states i.e. Odisha, Andhra Pradesh, Telangana, Maharashtra, Madhya Pradesh Uttar Pradesh and Jharkhand which gives direct market access to these states. Inland port, also gives an advantage to the location, which brings down cost of import and exports as compared to busy ports like Nhava Sheva etc. Being located in central part of India, we enjoy many geographical advantages.

During the year under review your Company's Gross Revenue is INR 5523.21 Lakhs. Gross profit before interest expenses, depreciation and tax amounted to INR 903.70 Lakhs. The Net Profit of Company after tax stood at INR 486.48 Lakhs.

Internal Control System and their adequacy:

The Company has adequate and efficient internal control system, which provides protection to all its assets against loss from unauthorized use and ensures correct reporting of transactions. The internal control systems are further supplemented by internal audits carried out by the respective Internal Auditors of the Company and Periodical review by the management. The Company has put in place proper controls, which are reviewed at regular intervals to ensure that transactions are properly authorized, correctly reported and assets are safeguarded.

Opportunities and Threats:

Major Opportunities for the Company are as follows:

- Rise in new geographical markets of different cities of the India and all over the world.
- Increase in emerging technologies.
- Long experience of the promoters in the industry;
- We follow the Quality standards which are followed by leading companies working in the same segment.
- Track record of successful execution of projects.
- Experience across various Industry Vertical.
- Our organization benefits from cutting-edge infrastructure, including advanced utilities, smart grid systems, and efficient waste management, which can enhance productivity and reduce operational costs.

2. Collaborative Ecosystem:

- Being within an EMC fosters collaboration with other electronics manufacturers, suppliers, and service providers in the cluster, facilitating innovation, knowledge sharing, and joint ventures.
- Potential partnerships with technology firms and research institutions could lead to co-development of new products and solutions, giving your organization a competitive edge.

3. Government Support:

- The government often prioritizes clusters like yours for incentives, grants, and policy support. This could mean access to special economic zones (SEZs), faster approvals, and targeted tax breaks.
- Participation in government-driven initiatives like “Make in India” and “Digital India” might bring additional funding and resources.

4. Proximity to Markets:

- The strategic location within a smart city means easier access to both domestic and international markets, especially in central India, reducing transportation costs and delivery times.
- Your position within the cluster enhances your reputation, potentially attracting more business from clients seeking reliable and technologically advanced suppliers.

5. Talent Pool and Skill Development:

- The presence of a concentrated talent pool within the cluster and partnerships with local educational institutions provide access to a workforce skilled in electronics and related technologies.
- Continuous skill development programs tailored to the cluster's needs can ensure that your workforce remains competitive.

6. Sustainability and Innovation:

- The smart city framework encourages sustainable practices, which can boost your organization's green credentials. This is increasingly important to consumers and global partners.
- Innovation-driven by smart city infrastructure, like IoT and AI integration, can open up new product and service offerings.

Threats:

Intense Competition:

- Being in a cluster, you are surrounded by peers, which can intensify competition for resources like talent, investments, and market share.
- The proximity to other advanced manufacturers could lead to price wars, especially in commodity segments, squeezing margins.

Dependency on Cluster Infrastructure:

- While advanced, reliance on the cluster's shared infrastructure means that any delays or issues with central services (e.g., power, waste management) could impact your operations.
- Overdependence on the cluster's resources might reduce flexibility in adapting to changing business environments.

Regulatory Compliance:

- Being part of a prominent cluster may subject your organization to stricter scrutiny from regulatory bodies, requiring higher levels of compliance and possibly increasing operational costs.
- Environmental and safety regulations specific to the cluster's operations could necessitate additional investments.

Supply Chain Risks:

- While the cluster might offer an optimized supply chain, any disruption (like global semiconductor shortages or local logistical issues) could have a ripple effect, impacting all members of the cluster.
- Dependency on external suppliers for critical components might expose your organization to vulnerabilities beyond your control.

Economic and Political Fluctuations:

- Changes in government policies affecting electronics manufacturing or international trade agreements could impact the cluster's operational environment.
- Economic downturns or shifts in consumer demand could lead to reduced orders, impacting revenue streams for all companies within the cluster.

Environmental Impact and Sustainability Pressures:

- As environmental regulations tighten, your organization might face increased costs associated with maintaining sustainability standards, particularly in electronics manufacturing, which is under growing scrutiny for e-waste and energy use.

Overall, being part of this EMC offers substantial advantages but also comes with risks that need to be managed strategically.

Opinion

We have audited the Standalone financial statements of Arham Technologies Limited ("the Company"), which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as on 31st March, 2024, its profit/loss and its cash flows for the year ended on that date,

- a) In the case of the balance sheet, of the state of affairs of the company as at March 31, 2024
- b) In the case of the Profit and Loss Account, of the profit for the period ended on that date and
- c) In the case of cash flow statement, for the cash flows for the year ended on that date

Basis for Opinion

We conducted our audit in accordance with the Accounting Standards (AS) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have

fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditors' responsibilities relating to other Information'. We have nothing to report in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate

accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that

is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

Report on Internal Financial Controls with reference to financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Arham Technologies Limited (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Arham Technologies Limited

Notes to Financial statements for the year ended 31st March, 2024

1. Corporate information

Arham Technologies Limited (the 'Company') is a public limited company with its registered office situated at Plot No. 15, Electronic Manufacturing Cluster, Sector-22, Village- Tuta, Atal Nagar, Naya Raipur- 492015. The Company is listed on the National Stock Exchange of India Limited (NSE). The Company was incorporated on the Twenty Seventh day of December, 2013 in the state of Chhattisgarh, with an object to import, export, trade, deal in, manufacture and distribute domestic electrical appliances.

2. Basis of preparation

- i) The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.
- ii) The Company has decided to round off the figures to the nearest lakhs.

2.1 Summary of significant accounting policies

Change in accounting policy

(A) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as on the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

Notes to financial statements for the year ended 31st March, 2024

a) Property, Plant and Equipment

The cost of an item of Property, plant and equipment comprises:

- i) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- ii) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- iii) the initial estimate of the costs of dismantling, removing the item and restoring the site on which it is located, referred to as decommissioning, restoration and similar liabilities, the obligation for which an enterprise incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Subsequent expenditure related to an item of Property, plant and equipment Under the , an enterprise recognises in the carrying amount of an item of property, plant and equipment the cost of replacing part of such an item when that cost is incurred if the recognition principle are met

The gain or loss arising from the derecognition of an item of property, plant and equipment are included in the statement of profit and loss when the item is derecognised .Gains are not classified as revenue, as defined in AS 9, Revenue Recognition.

The gain or loss arising from the derecognition of an item of property, plant and equipment should be determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item.

b) Depreciation

Depreciation on an item of Property, plant and equipment are provided by using WDV method based on the useful lifes of assets as prescribed under schedule II to the companies act 2013

The depreciable amount of an asset is determined after deducting its residual value.

Depreciation of an asset begins when it is available for use, i.e., when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation of an asset ceases at the earlier of the date that the asset is retired from active use and is held for disposal and the date that the asset is derecognised. Therefore, depreciation does not cease when the asset becomes idle or is retired from active use (but not held for disposal) unless the asset is fully depreciated.

b) Borrowing Cost

Interest and other costs in connection with the borrowing of the funds to the extent related/attributed to the acquisition/construction of fixed assets are capitalized only with respect to qualifying fixed assets i.e. those which take substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

Arham Technologies Limited

Notes to Financial statements for the year ended 31st March, 2024

c) Government Grants and subsidies

Grants and subsidies from the government are recognized when there is reasonable assurance that (i) the company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

Where the company receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

Government grants of the nature of promoters' contribution are credited to capital reserve and treated as a part of the shareholders' funds

d) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

e) Contingent Liabilities

Liabilities which are material and whose future outcome cannot be reasonably ascertained are treated as contingent and not provided for and disclosed by way of notes to the accounts.

f) Taxes on Income

Current Taxes are accounted based on provisions of Income Tax Act, 1961.

Deferred Tax is recognized, subject to the consideration of prudence, in timing differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

g) Provisions

Provisions are recognised, where the company has any legal or constructive obligation or where reliable estimate can be made for the amount of the obligation and as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

h) Impairment of Tangible Assets

The Company assesses at each balance sheet date whether there is any indication that any asset may be impaired. If any such indication exists, the carrying value of such assets is reduced to its estimated recoverable amount and the amount of such impairment loss is charged to statement of profit & loss. If at the balance sheet date there is an indication that previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

i) Inventory Valuation

Inventories are valued at lower of cost or net realizable value. Cost of Finished goods is determined by including direct materials, labour, other expenses and a proportion of overheads based on normal operating capacity. Cost of finished goods has been determined on FIFO. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale. Cost of raw materials stores and spares, are determined of FIFO basis. By products are valued at net realizable value.

j) Cash and Cash equivalents

Cash and Cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

k) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a right issue to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.
